# MEET THE

FRESHMAN COUNCIL

Jack Pearl, Helen Margaret Miller, John Kuhn, Laura Ellen Smith, and Bill Smith.

## CLASS OF 1942

Oh, what a memorable day was September 13, 1938, in the minds of one hundred and forty-four freshmen who entered the ranks of C. C. H. S. Some were very confident, but many more were quite bewildered as they wandered about aimlessly from classroom to classroom. After a few days the freshies became acquainted with their surroundings, and there was evidence of several becoming prominent members of their class.

The freshmen soon found that to be efficient they must have class officers. At their first class meeting, the following were elected to the Freshman Council: chairman, John Kuhn; other members: Jack Pearl, Bill Smith, Laura Ellen Smith, and Helen Margaret Miller. Miss Foote is the capable sponsor of the class.

The first class party of the year was held in April. Everyone who attended had a grand time, and those who didn't come really missed something.

# AND GREET

MR. RALPH ROBB

## MR. ROBB

When a student needs a friend and counselor, no one can be found to fill the bill as well as our principal, Mr. Ralph Robb. His guiding words have inspired us through four important years of our young lives. Never could there be a more genial man to help us on our way to success, and even though he is small in stature, he is big in heart. As he once said, "I have gone to school since I was six years old, and I hope to stay young by working with young people."

# THE BAND

## MR. SARIG

"Heart and Soul" could easily be the description of Mr. Sarig's work, not only because he thoroughly enjoys it, but also because he puts all of his "Heart and Soul" into it. A more patient man is hard to find, so C. C. H. S., be proud of your band master!

Bernice Smalley, Wilma Wright,  
and Harry Gotti

## THE CORNET TRIO

The cornet trio is composed of two juniors, Harry Gotti and Wilma Wright, and a sophomore, Bernice Smalley.

They should be named the "Unconquerable Three," and have as their motto, "On, on, on to the very highest!"

Entering the district contest, they advanced to the state. From there they went on to the national, taking first place in all three contests.

Under the able leadership of Mr. Sarig, they will bring additional honors to our school before they leave us.

Our band, the pride of C. C. H. S., is a wonderful spectacle to behold. With its natty maroon uniforms and thrilling formation, it has become an important part of all football games. A basketball game without the band would be unthinkable.

The band, under the leadership of our genial bandmaster, Mr. Sarig, has gone to the top rank in music land. In Normal last fall, they took first place in Class B division of the marching contest. They also took first place in novelty marching; and Louceil Kimmons, our able little twirling mistress, took second place in the baton twirling contest.

Also there were a great number of band students to enter the State Contest, some as soloists, others in ensembles. The following members survived our own elimination contest held at Clinton High, and also the district contest which was held at Arthur, Illinois. Those going to the state contest from these two eliminations were Mary Barnett, Donald Pennington, and Junior Enos who placed in the third division, Bernice Smalley, James McMahon, and Gleason Mahoney who placed in second division. Those placing in first division and recommended to the National contest were Robert Killough, Jodie Buntin, Wilma Wright, Jeanne Morin, Harry Farnsworth, Trombone Quartette, Flute Trio, and Sax Sextette. Others who placed in first division and who also will be entitled to go to the National this year are Jerry Cotton, Mae Brewer, Harry Arnold, Louceil Kimmons, Harry Gotti, Robert Lighthall, Dale Moore, and the Clarinet Quartette. With such musicians helping to make up the band, it may easily be seen why the band was placed in first division at the State Contest. Since there is a national convention only every other year, our band has reached its goal for this year.

# SOPHOMORES

SOPHOMORE COUNCIL

Mary Barnett, Patty Pettyjohn, Mary Jane Parker, Helen Van Camp, and Harold Scott.

## CLASS OF 1941

When school began in September, 1937, we were a bewildered group of "freshies" who had to be directed to each classroom. We started our high school career by getting acquainted at a class picnic at Water Works Park. Then on St. Patrick's Day we had great fun at a Bunco Party, attended by a majority of the class.

How time has flown! Here it is 1938, and we are ready to settle down for another year. We met and elected Harold Scott as chairman of the Sophomore Council; Mary Jane Parker as secretary-treasurer; and Mary Barnett, Patty Pettyjohn, and Helen Van Camp as chairmen of various committees. Miss Opal Marshall is our able adviser.

We celebrated Hallowe'en by having a party and dance in the old gym. Only about half of the class attended, but those who were there had a lot of fun. In the spring of 1939 after the excitement of the State Tournament, we gathered once again in the school for a rollicking good party which was our last as sophomores.

It is May now, and it won't be long until Commencement, when we will become juniors.

## CLASS OF 1940

Oh, what fun it is to look back and see how hesitant and nervous we were as we wandered through the corridors. That was in 1936, but we can proudly say that we were very active freshmen in music, football, and basketball.

Last year we were the in-betweens, the sophomores. We were neither the highest nor the lowest class, therefore we could look both up and down. Jeanne Morin was chosen president of the class and the other officers were George McCoid, Eileen Berryman, Joe Pettyjohn, and John Boesen. The Sophomore Party was held in April and was very successful. Many of our class were prominent in dramatics, athletics, music, and scholastic work. Our sophomore year was an eventful one, but oh, how we were looking forward to being upperclassmen!

We are now juniors, free from the distinction of being underclassmen. We elected class officers, and again Jeanne Morin was elected as our president. The other officers are John Hull, vice president, Rosemary Phelps, secretary, and Lila Jane Crum, treasurer. Miss Ross is our faithful adviser.

In November the Junior Class, under Miss Newkirk's fine direction, presented the play, "Remember the Day," which was a great success.

The Junior Class is proud to have several outstanding students in the class. Jeanne Morin is treasurer of Student Councils in the Champaign District. While Betty Ann Lane sings, George McCoid twirls the baton with the special orchestra. Both Carrol McCammon and George lead the school in cheers and yells. Doris Sympton was elected secretary of the Illinois Junior Academy of Science for 1939-1940.

We juniors are waiting anxiously for the big event of the year—the Junior-Senior Prom, the formal party of our high school days.

As the seniors graduate, we begin to realize we are entering our last year of C. H. S.

## HISTORY OF THE SENIOR CLASS

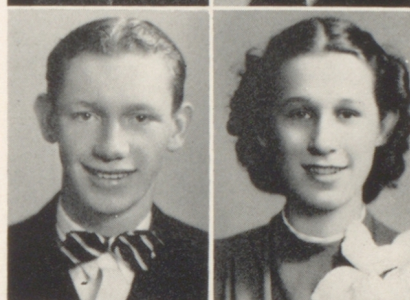

In May, 1935, one hundred twenty "babes" were graduated. We were the first eighth graders to have commencement in our new gym. In September of the same year, we kiddies scrubbed up to begin our first year of high school. Gee, everyone thought we were so green! Perhaps we were. By the fall of 1936, some of us decided to grow up and become sophomores, while some decided that they wished to enjoy their "baby" life another year. As sophomores we were becoming a bit more intelligent. Juniors at last—things began to happen then. Shirley Hartsock was our guide that year. "Growing Pains" was presented. What an actress Anne Herick was, but oh! how she hated to be loved. Then the Junior-Senior Prom—we showed the seniors we were pretty good after all. At least it was grand. As the leaves began to fall once more, most of us turned up as dignified seniors. We could finally look down upon the others. President Wayne Simpson surely did blush when he stood before us. Then the senior dance between exams. Everyone had a grand time, but were some of those boys ever bashful! Genevieve Padgett was selected to be our representative at the local D. A. R.'s. Then came another play—(An Andy Hardy one) called "Skidding". The juniors entertained us and then—those last days of our career here in C. C. H. S., Baccalaureate, Class Night, and last but not least, Graduation.
